re: 22-cv-8847 (PKC) (SN) Peter Bright vs United States
19-cr-0521 (PKC) United States vs Peter Bright

Dear Judge Castel:

I received in early December, 2022, a letter from the government requesting an extension to the December 19, 2022 deadline for filing a response to my § 2255 petition. In response to this request I asked for the appointment of counsel in a letter dated December 17, 2022.

I received the Court's denial of my request in early January of this year. However, I have not received any other communication either from the Court or from the government. Specifically, I have received no notice of the Court's response to the request for extra time, nor have I received any response from the government to my petition. As such, I am rather in the dark about the status of my petition and the government's response to it. I respectfully ask that the Court tell me when I can expect a response from the government.

Respectfully,

Peter Bright
